

Regional District Update & Annual General Meeting

**Tour - Information - Networking - Luncheon - AGM
April 28, 2017, 10.00AM - 2.00PM
Duncan Meadows Golf Club, 6507 North Road, Duncan BC**

Coast Waste Management Association invites you to join us for our next workshop, networking event and AGM on April 28, 2017 at the [Duncan Meadows Golf Club](#), Duncan BC. Included with this event is an opportunity to tour the [Bings Creek Recycling Centre](#) operated by the Cowichan Valley Regional District.

Regional Districts

Regional Districts on Vancouver Island and Coastal BC are leaders in waste diversion and are integral members of CWMA. By developing and implementing some of the most progressive and successful programs found anywhere in BC, they are champions of managing waste and recyclables.

Regional district staff are continually working on numerous challenges to develop better systems for managing solid waste and recyclables. Organics diversion, PPP contamination, illegal dumping, residential education programs, landfill management, depot development, curbside collection programs, extended producer responsibility, and Solid Waste Management Plan reviews are a few of the areas that require their attention.

Please plan to join us on **April 28, 2017** and hear first-hand about some new initiatives being implemented and learn how our regional districts are addressing the challenges here in coastal BC. At this event we will hear presentations from the;

[Capital Regional District](#)

[Central Coast Regional District](#)

[Comox Valley Regional District](#)

[Cowichan Valley Regional District](#)

[Powell River Regional District](#)

[Regional District of Nanaimo](#)

[Regional District of Mt. Waddington](#)

[Sunshine Coast Regional District](#)

PRE-REGISTRATION REQUIRED

info@cwma.bc.ca

\$55.00 CWMA members

\$65.00 non-members

(Prices include lunch, tax and gratuity)

There is no charge for those attending only the AGM commencing at 1.00PM.

Networking and a light breakfast at 10.00am with the presenters convening at 10.30am. Lunch at 12.30pm followed by the AGM.

Tour of the Bings Creek Recycling Centre

The Cowichan Valley Regional District has agreed to provide CWMA delegates with a tour of the Bings Creek Recycling Centre facility prior to our meeting. If you wish to participate on this tour please indicate when registering and we will reserve you a place. Participants will meet at 9.00 AM at the facility located on Drinkwater Road, Duncan. After the tour join us at Duncan Meadows which is a 3 minute drive away.

Please indicate upon registration if you wish to participate on the tour.

Please read if you haven't seen our emails for a while.

Are you in the solid waste or recycling industry? Part of our mandate is to share information with CWMA members and others in the industry -- over 3500 business owners and professionals who we've been in touch with for years. And we've just added some old friends back to our list. We've taken the utmost care to get your address right, and to remove everybody who asked us to. We know you're busy, and we don't email often. However:

If you prefer that we don't send you these emails, or if they should be directed to someone else, please just click [here](#) and let us know.

We will immediately respect your wishes.

Coast Waste Management Association is a membership association serving the solid waste industry in coastal British Columbia.

We are made up of over 150 member organizations, drawing from the private sector, local and regional governments and non-profit organizations on Vancouver Island, the Gulf Islands, Powell River, the Sunshine Coast and Central Coast BC.

CWMA members are involved in such diverse activities as recycling, composting, deconstruction, extended product stewardship, waste disposal, environmental education and consulting, and managing solid waste facilities.

CWMA offers a forum to assist our diverse membership in meeting the challenges and opportunities of waste management in our region. We do this by facilitating communication and offering networking and educational opportunities for members. We provide an annual conference, ongoing technical sessions and workshops, newsletters and e-bulletin updates.

CWMA also supports its members regarding important issues facing the industry. We serve as a local industry liaison, act as industry representatives, and raise awareness about key waste-related issues.

If you would like to become a member please contact me at the number below or check out our website at www.cwma.bc.ca
